Hi Cathy,

Copying you on this request for Region 3 review of a GenX/PFBS draft fact sheet, including information on Parkersburg, that OGWDW is preparing at OW's request in anticipation of Andrew Wheeler's confirmation hearing. We are drawing on previously-cleared material as much as possible for these, so hopefully this is an easy review. The next review after this will be Jennifer McLain.

I will send the fact sheet to you and Karrie shortly as soon as it comes back from OST. If it is possible to get it back today, or early tomorrow, that would be helpful.

With apologies to you and Karrie for the short notice,

Elizabeth

Subject: time sensitive -- Wheeler Hearing

Hi Karen,

This is a heads up that I will be sending you a draft fact sheet -- as part of OW's prep for Andrew Wheeler's confirmation hearing -- on Gen GenX/PFBS including Parkersburg, sometime this afternoon. The draft will have already been reviewed by OST, so it will be a "one OW" version drawing on existing previously-cleared material. Hopefully it will be familiar and easy for you to get back to me by COB today, if possible.

I also reached out to Rick. However, Maria is directing me your way.

My apologies for the quick turn-around nature of this request. Thank you in advance, and please flag me if questions or concerns,

Elizabeth
